

# Persuasives

Hopefully we will be able to learn in person very very soon. For now we will continue with our learning at home.

Good Morning G6 geniuses

I hope that we can get back to it this week. Today have fun with you family discussing these “Would you rather” scenarios.

- 1) Read and discuss –would you rather scenarios with your family. If you are by yourself maybe you can just write down your answer for each.
- 2) Choose your absolute favourite one, discuss why with your family.
- 3) Write a small persuasive about why you would rather be that option- for example you might choose to be a lion instead of an eagle. Look at the sheet below to see how to construct your persuasive.
- 4) You can do this on the computer in your book and have a long discussion with your family about it.
- 5) If your not writing all by yourself yet you can either get help or just draw Miss Jaimee some pictures.

# Would you rather?

I would rather be a lion.

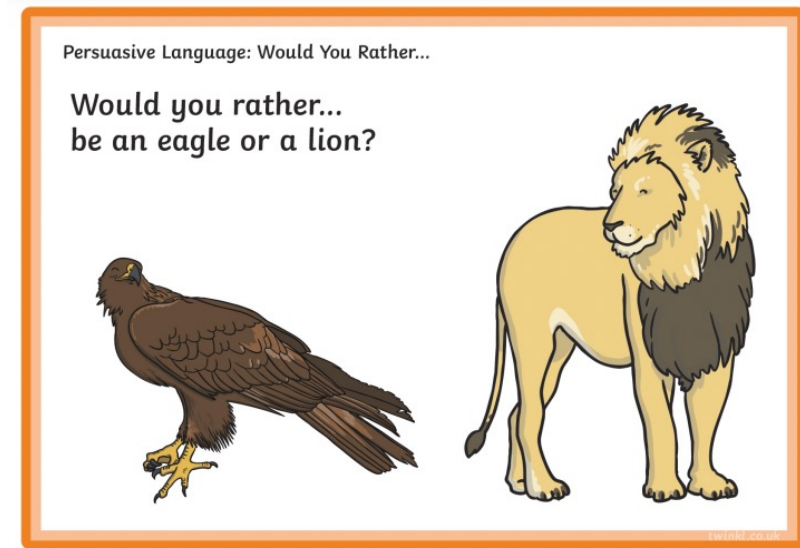

I would like to be a lion because they are strong and look beautiful.

I would like to live in the outback in Africa like the lion surrounded by all my close friends and family.

Although I would not like to live in the zoo I would like to have humans around to watch my family and I grow.

I would like to be a lion because they are fast and strong. They are the kings of the jungle. I would like to be the queen of the jungle.

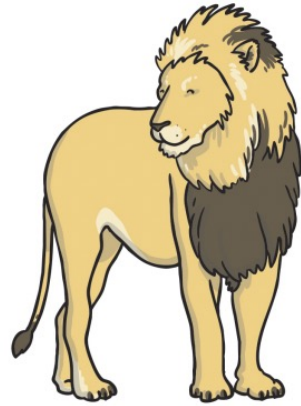

Lion cubs are very cute and I would like to have some in my life that's why I would like to be a lion.

Miss Jaimee cannot wait to hear what you have chosen.

# Now it is your turn

How did you go?

Did you find one that you really liked talking about. Or something you would really like to do. Let me know.

Have a go at writing a persuasive like I did and share it with me. If you would like you could film me a video of you talking about the reasons.
