

Thursday's writing task for week A.

Story starter!

The King had known that the gift he presented to his children on their 5th birthday was dangerous. He was prepared to take the risk of letting them own a pet dragon, however. One day, the twins would rule the kingdom together, and they would need all the help they could get. No-one could deny that a dragon was a powerful ally!

Before that day, though, the children had much work to do. They had to train their dragon!

When writing your story think about these questions.

Why has the King given his children a dragon?

Do you think it's a wise decision?

What do you think the children will try and train their dragon to do?

Can you think of any strategies that the children might use to train their dragon?
