SCHOOL VALUES

Respect Innovation Courage Excellence Responsibility

From the Principal

Dear Paradise Families,

It is great to see due to South Australia's zero cases of COVID-19 things are slowly returning to normal for us all. We have all of our students back on site and all our outside providers are back providing their valuable services. I would like to thank families again for supporting us along this journey. Your commitment to keeping everyone healthy by keeping kids home if they are sick, remaining outside the classroom and reminding the children of their hygiene habits has made our job so much easier.

Last week we acknowledged Reconciliation with a number of different classroom activities. We finished our learning by cooking Kangaroo Tails and Damper in a fire pit. Staff and students that wanted to taste test were given small samples to try. A

big thank you to Lee Anne for manning the fire and cooking the tails. We would also like to thank Miss Emily for supporting the staff with resources throughout the week and cooking the Damper.

Paradise Projects has begun again on Friday afternoons. This term we are trialling some different activities. These are Cooking, Gardening, Orienteering, Traditional Games, Crafts and Claymation. This time is a great opportunity for students to work with other staff and peers as well as gaining Global Competency skills.

Teachers are currently working on reports and these will go home at the end of term. Next term we look forward to sharing your child's achievements in a Showcase evening. We will keep you informed early next term about a date for our special evening.

Regards Karyn Alford

G6 with Miss Jaimee

Reconciliation is not just for one week

We have been looking deeply into the culture, history and lives of Aboriginal and Torres Strait Islander people. We have learnt stories, songs, art work and traditions. This week we will be writing our own Acknowledgement of Country. Last week taught us

that some different Aboriginal groups use symbols and art to tell stories. We looked into AFL guernseys and Dreamtime stories to look for and recognize some of these symbols. We had a go at creating our own guernseys displaying our stories through some special symbols that we had learnt.

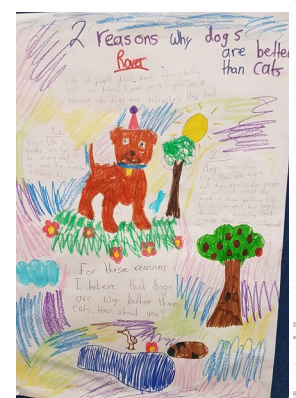

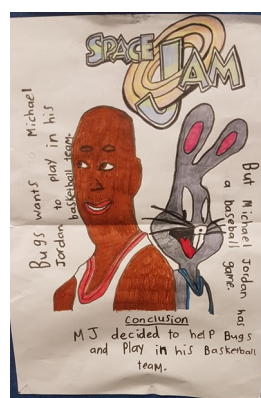

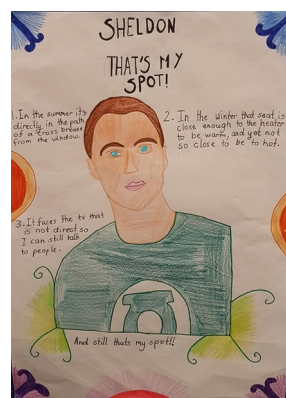

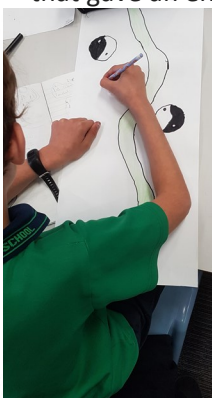

STEM Marshmallow challenge - B2

Goal: Work with your group to build the tallest, *free standing* structure you can build using 8 marshmallows and 15 pasta strands that you are supplied with. The tallest point in your structure must be a marshmallow. What do you think of our structures?

Learning in B3

In our Chinese lessons we made a scroll that gave an encouraging message

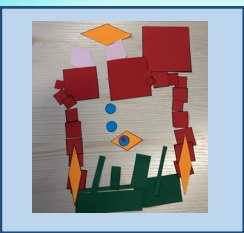

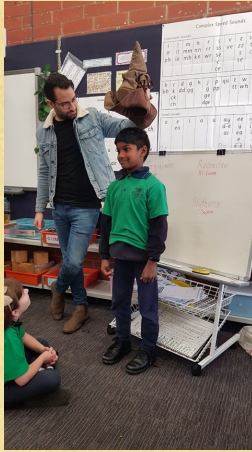

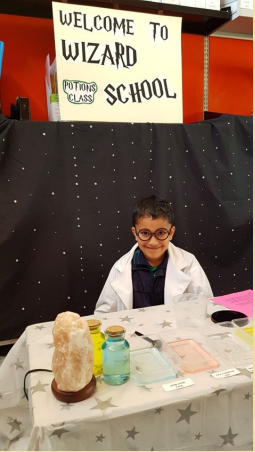

Here are some of the posters from our persuasive writing lessons. We had to research a character who had to convince people of their opinion and write down the key points of their argument.

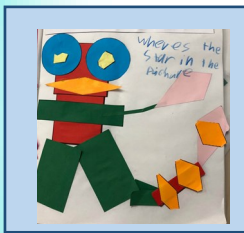

What's happening in B4 with Miss Emily

WELCOME TO WIZARD SCHOOL!

This term in B4 we had the pleasure of having Mr Donny complete his placement with us. While Mr Donny was here we got to do so many fun learning experiences, like Wizard School! Mr Donny created a magical unit of learning that involved so many different areas such as maths, literacy and digital technologies. We got to create our very own potions and record our own potion class to teach others how to make our magnificent potions. At the end of our Wizard School we even got sorted into the 4 different houses from Harry Potter with the infamous sorting hat. We would like to thank Mr Donny for all his hard work and effort to help us learn in such a creative and different way. We had so much fun with him

Fish in a fish tank

A crocodile

A snowman

Pick's Possums

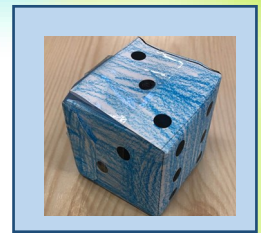

G5 have been spending their Maths lessons learning about shapes.

The students have learnt about 2D shapes like circles, squares, rectangles and triangles and they have made some very creative shape pictures in their books.

They also learnt about 3D shapes like cubes and cuboids. The students have made amazing 3D cube dices and 3D cuboid treasure chests to show their learning.

Great work G5!

Some dice

A treasure chest

This term in Health students have been learning about various aspects of safety and keeping safe. Students have engaged in a variety of activities including cyber safety. B2 students discussed safe uses of various social media and created our own safe profile display. In PE students in the Green Unit are continuing to develop fundamental movement skills and develop evasion skills through a variety of fun games. **Mr Alex**

PARENT FORUM TRANSITION IN 2020 AND BEYOND

This webinar is for parents and carers of children and young people with a disability to learn more about the transition process and available support.

A Year 7 into high school planning update will also be provided.

Find out more and attend the
**Disability Policy and Programs
Parent Forum on Friday 26 June | 10am to 11am via
online webinar**

OSHC News

If you received Child Care Subsidy (CCS) for 2018-19, you must confirm your income with Centrelink. This includes CCS paid directly to you and CCS paid on your behalf to a child care provider.

Most parents have already confirmed their income, but if you haven't, do it now.

If you don't confirm your 2018-19 income by 30 June 2020, your CCS will stop from 13 July 2020.

To confirm your income with Centrelink, you and your partner need to either:

- lodge your tax returns with the Australian Taxation Office (ATO)
 - complete an 'Advise non-lodgement of tax return' with Centrelink, if you don't need to lodge a tax return.
- You complete the 'Advise non-lodgement of tax return' in your [Centrelink online account](#) through [myGov](#) or your [Express Plus Centrelink mobile app](#).

If you've already confirmed your family income for 2018-19, there's nothing else you need to do.

Materials & Services Fees 2020

Have you paid?

Thank you to all the families who have paid the Materials & Services Fees 2020 for your child's schooling.

Overdue invoices / statements have been sent out and prompt payment of those would be appreciated.

Any unpaid fees will be lodged with the Governing Council to have them referred to debt collection.

If you think that you are eligible for School Card please apply online at the following address -
