## From the Principal

Dear Paradise Families,

A fantastic time was had by all who attended our school camp at Arbury Park. Although the campers returned weary their faces were full of smiles and their chatter full of excitement. It was wonderful to go up on Tuesday and see the children in a different environment. They were fully engaged in different learning in their outdoor setting. I was extremely proud of each and every one of our campers for having a go at different activities, coping so well sleeping away from home and such great manners and behaviour towards other students and staff. A big thank you to all of our dedicated staff that took part in camp and those that helped hold the fort back on site. Congratulations to you all! I hope this is the first of our whole school annual camp. Watch out for more details soon!

Some of you may already know that a Deputy Principal, Daniel Botten will join us next term. Daniel is currently the Deputy Principal at Highbury Primary School. Daniel is an aspiring young leader who wants to broaden his experience by working at other sites within our portfolio.

We welcome Daniel to our beautiful school and look forward to having him on the team in Term 3.

This week has seen the end of an era for Paradise Primary School. Beafield Education Centre is no longer running its program on our site and have returned to their main school at Para Hills. We are looking forward to using this space for opportunities that will support and promote our school community.

This year our Governing Council has taken a little longer to establish members and roles. I am now very pleased to confirm that Aaron Stobie our community representative is Chairperson, Carol Ferris our staff representative is secretary and Nellie McManus is treasurer. Other Governing Council members are Adele Pettit, Hugh Flora and Pawan Nagra. Thank you to our members your input is truly valued and I look forward to working with you for the rest of year.

We look forward to a very exciting term 3 with many planned special days ahead. I wish you all a safe and happy holidays.

*Karyn Alford*

Hello Paradise Primary School Community,  
I hope you are all keeping well.

Through many informative discussions with students, I am aware that many children at our school enjoy gaming online, through sites such as Roblox or Xbox online, and hold various social media accounts (**reminder: many of the 'popular' social media platforms require a minimum age of 13+ yrs**). While the online experience can be informative and entertaining, there are risks for children participating online that must be considered. The eSafety Commissioner website ([www.eSafety.gov.au](http://www.eSafety.gov.au)) provides a wealth of information about keeping safe online, including reporting abuse, the sharing of personal information etc. The site is user friendly and has sections targeted towards parents and children. The eSafety Guide provides a thorough breakdown of various social media platforms and gaming Apps. It is a good idea to familiarize yourself with the programs your children are using. Please take some time, with your children, to have a look at the site. An alarming fact you may not know is that once you post any image online (e.g. photos of yourself, friends etc.), you no longer hold the legal rights to those images and they can be accessed and shared by anyone. Knowing how to keep safe online is very important to protect yourself and your children.

At the end of this term, I will be finishing my role as PCW for the year as will be undertaking my final Master of Social Work student placement. There will be another PCW to fill in and support the school community during my absence. They will be introduced to you next term. I will miss you all, and wish you a happy, healthy and prosperous Term 3 & 4. I'll come back and visit before the end of the year!

Warm regards,

Rebecca Terminello (*Pastoral Care Worker*)

Just a reminder that students can be on school grounds from 8:30am and classrooms open at 8:40am. Please remain at the school gates until the bell rings. Thank you.
